Apologies Joella,

As a first step, I would direct them to the Reports & Resources page on our website:

<https://www.downtownla.com/do-biz/research-information/reports-resources>

There you will find our 2015 Retail Report and Survey Report, and our Quarterly Market Report. That should provide them with a good foundation. From there, if they have any specific questions, I would be happy to talk to them.

I hope that helps.

Thanks!

Hey there. I have a good friend considering investing in opening a UPS Store type in DTLA, especially with all the new residents coming in. I don't have any specific stats to share - do you have a package that you usually share with potential biz entities that I can share?

Thanks.
